

Environmental Activities Volunteering - BASILDON

Role Description

Trust Links is an organisation committed to the safeguarding and promoting the welfare of children and vulnerable adults and expects all staff, Trustees and volunteers to share this commitment.

Trust Links aims to create a culture that respects and values each others' differences, that promotes dignity, equality and diversity, and that encourages individuals to develop and maximise their true potential.

Days and Hours required: Weekdays, during office hours, occasional weekends

Location: For location of next activity , please follow our Facebook page

Reports to: Environmental Activities Volunteer Coordinator

PURPOSE OF THE ROLE:

This is a very versatile role. One day you could be helping to revive a Public Park, School, or Heritage Site, and another day you could be helping with local environmental activities, such 'Make do & Mend' or a Community Eco Café.

We have a volunteering role for anybody who has a few hours free. You can join in for one-off activities or continue to come along to each event. It's up to you.

With your help and input, we want to create activities in local spaces, that will bring us together in shaping our community into a space where we can increase civic pride and help celebrate Basildon, Wickford & Billericay, our people & our stories.

Volunteering is all year round. Some activities will be indoors and some outdoors.

Come and enjoy being part of a new team, make new friends and contribute to your very own neighbourhood.

You will finish your day with a sense of achievement and will be able to share your new experiences with your loved ones and immediate community.

The Volunteer will be required to:

- Complete a volunteer form on the day you join
- Listen to team leader about safety rules or guidelines
- Agree to volunteer as part of the team and to be respectful and polite to all who attends the session

MAIN DUTIES AND RESPONSIBILITIES OF THE ROLE:

- Litter Picking
- Community Clearing
- 'Make do & Mend' sessions
- Planting bulbs
- Making raised beds from repurposed wood
- Making school & community bug hotels
- Tree planting
- Ground leveling before planting
- Basic landscaping
- Re-cycling & Upcycling
- Lead a Nature Walk
- Nature Art Projects
- Jam Making
- Energy Saving Workshops

Volunteers will need

- Teamwork
- Interest in the Environment
- Interest in wanting to create beautiful communal spaces for the neighborhood
- Interest in wanting to communicate with other volunteers
- Interest in Cooking & Preparing Food
- Interest in Children & Youth Activities
- Interest in Healthy Living
- Some activities might be more physical than others, requiring a level of physical activity and strength. If you're not sure, just get in touch for a chat before you go to the activity on the day.
